

Chad Mason
Senior Director of DoD
Varonis

Chad Mason serves as Varonis's Senior Director of DoD. In his current role, he leads a team focused on the Department of Defense, helping customers prove they can trust their data through an automated data security platform to find risk, fix risk and alert on threats to customer's sensitive data. Chad has supported the DoD for over 22 years, to include all of the military services, SOF and combatant commands. Prior to Varonis, Chad supported the US Army, SOF and combatant commands at FireEye and Fusion-io, as well as the U.S. Navy and U.S. Air Force at CDW-G.
